I give permission for my child to attend the Inter School Debating competition in Bendigo on Tuesday 24 July. I understand that my child will be transported to and from the event via a bus. In the event of any illness or accident occurring to my child, I authorise the College staff to permit on my behalf the administration of any medical or surgical treatment including the administration of any anaesthetic as recommended by a Medical Practitioner. I have attached updated relevant medical information (including any medications my child is currently taking) to the organising staff members.
