Dear Parents, Guardians and Students

The College invites all students to be a part of the Instrumental Music Programme at Notre Dame College for 2020. Learning a musical instrument provides a rich cultural, social and academic experience.

Notre Dame College provides a specialist programme for the training of young people in the area of music. Our music tutors are an outstanding group of educators, all of whom are prominent musicians within the community.

The Instrumental Music Programme is constantly evolving to suit the needs of our students. The Programme covers classical, contemporary and jazz streams and all students have the opportunity to sit for nationally recognised, graded performance exams.

Students can enrol for individual lessons or group lessons on their chosen instrument. Group lessons are ideal for younger musicians who are curious about learning a musical instrument in a less formal environment, which is very cost effective.

Instrumental Lessons are fully supported by the Band Programme which offers a Concert Band, String Orchestra, Jazz Rock Band, Emmaus Ensemble and Vocal Group.

To secure your place for 2020, the College is asking for all enrolments to be completed and returned to College Reception no later than Thursday 5 December 2019.

For more information please contact Jason Giuliani at [Jason.giuliani@notredame.vic.edu.au](mailto:Jason.giuliani@notredame.vic.edu.au)

Best wishes

**Jason Giuliani**  
**Head of Instrumental Music Programme**
